

AVELEY NORTH PRIMARY SCHOOL

2020 SCHOOL VOLUNTARY CONTRIBUTIONS AND CHARGES

Dear Parent/Caregivers

The Aveley North Primary School School Board has endorsed the schedule of Voluntary Contributions and Charges for 2020. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Contributions

The total amount of voluntary contributions parents/caregivers are being asked to pay has been set at \$60.00 per student which is in line with the School Education Regulations 2000.

At Aveley North Primary School, the Voluntary Contributions have been allocated by the School Board at \$60.00 per student.

The monies collected will be used to contribute to programs within the school. Although the payments are voluntary this money combined with the money from government and non-government funding allows Aveley North Primary School students to make the most of the programs offered.

The table below gives you the breakdown of where we will direct your Voluntary Contribution.

Kindergarten to Year 6

Item	Contribution
Computer Consumables	\$5.00
Workbooks	\$5.00
Art and Craft	\$10.00
Design Technology Resources	\$10.00
English Resources	\$15.00
Maths Resources	\$15.00
TOTAL CONTRIBUTION	\$60.00

The School Board has suggested a number of options be offered to assist parents making their contribution.

Option 1 A single contribution of \$60 per student.

Option 2 Four equal contributions, each of \$15.00 per student.

Option 3 Two equal payments, each of \$30.00 per student.

The School Board would like to emphasise that the contribution per child (\$60.00) equates to \$1.50 per week over the course of the year. All contributions are used for the direct benefit of the children. We are very grateful to everyone who supports the school in this way.

Photos below are examples of programs and resources which have been funded by Voluntary Contributions;

2. Charges for Extra Cost Optional Components

These are costs associated with special programs, excursions and other optional activities. A breakdown of the estimated **maximum charge** for your child's participation in activities for 2020 has been included in the schedule below.

Students can only participate in these activities if they have signed parental permission and have paid the charge associated with the activity.
