Principal's Message, Kylie Jones

Tomorrow is a School Development Day . Students do not attend on this day. Staff will be looking at the development of the new cycle of Business Planning.

Our year 3 and year 5 students have now successfully completed NAPLAN along with any catch up for absent students. We are extremely proud of their efforts, well done.

COVID is still present in our school and we have been fortunate to have quality relief step in seamlessly, with minimal disruption to our school. RATs are still available for those students that have not yet collected them. Please don't forget to contact the school if you have any queries or concerns.

ENROLMENTS

Enrolments are now open for Kindergarten classes for 2023. Places are always limited and the earlier we know what our Kindy enrolment numbers are going to be, the more effective our planning will be. If you know of families who will be looking for Kindergarten places next year and may not realise how the system works, please direct them to reception to be assisted.

Current Kindergarten students need to re-apply for Pre-Primary. These students should have brought home the application for enrolment form earlier in the term.

AFTER SCHOOL ROUTINES and PARKING – Care on the roads

The end of each school day is a busy time at school. The staff and administrators are out on duty to ensure that our students are well supervised when they leave the school. Playing on the playground equipment or in the school grounds after school is currently not possible as many of our areas are licensed to Camp Australia for the Before and After School program. This is the time for students to leave the school in a safe and orderly fashion. It has been especially great to see the number of students walking and riding to school each day and this helps with traffic congestion around the school. Parking around the school is at a premium and many students are out in the streets on their way home so please be careful if you are driving and take extra care when reversing and driving in the streets near the school. Pulling up on the road or in the middle of the carpark, parking on footpaths, verges or in driveways of nearby residents is not permitted and please do not park in the bays marked for dental therapy as these are critical for the staff and parents to use when accessing this vital service. We appreciate your support with this as we all need to cooperate together to ensure the safety for all.

DESCRIBE AVELEY NORTH PRIMARY SCHOOL

Today we asked our students to tell us how they would describe our school. Here are some photos of the beautiful things they wrote.

Talk 4 Writing

On Friday the 27th of May the Pre Primaries made a miraculous discovery in the sandpit. A palaeontologist sent us a letter telling us a new dinosaur has been discovered at our school. We then got to dig up dinosaur bones and find out more information about a new species of dinosaur...

'The Aveleynorthosaurus'

We can't wait to learn more about the Aveleynorthosaurus!
